

## ANNUAL REPORT

**“Develop a passion for learning. If you do, you will never cease to grow.”**

Education is an opportunity to open children’s hearts and mind to the unbelievable wonders of the universe. Being educators, achieving academic excellence is the hall mark of any reputed institution. A Heart filled with aspirations is all that we knew, since the very existence of the school and that's what gave us the ambition of marching forward till excellence is achieved in all our endeavours. This report is comprised of the achievements made during the year gone by (2019-2020) and at the same time set the path for greater accomplishments in the years to come.

As a regular practice followed every year, the session (2019-2020) began with the "know to each other" sessions of classes pre-primary to IX. This session made the parents aware of the scheme of education; query resolving sessions were also held which illuminated the path of positive parenting. Keeping ourselves up with the pace of modern world, complete digitization of the school was under taken, which transforms the entire school chores through information technology and bring more transparency and enhanced communication with parents and community.

Having a school completely digitized, parents can keep a check on daily attendance, fee status, periodic results, school circulars etc., through School App (Shishya Student) on mobile. With a view to be constructive and dynamic professionals and to equip teachers with the necessary skills and techniques for effective classroom teaching, school hosted a series of teachers workshop organised by honourable **CBSE & Global Classroom Pvt. Ltd** and this attempt inclusively engulfed various significant aspects like moral values, life skills, and advanced teaching methodology. Attendee teachers further shared the knowledge with other fellow teachers widening the sphere of wisdom.

To take part is what counts in competition and lessons of victory and defeat are what we get in return. This environment was sufficiently created through inter school, inter house and inter-class competitions such as sports competitions, debate competitions, quiz competitions, Rangoli competitions, creative writing competitions, poem recitation and many more.

“Leaders are not born but are made by their experience in life”. To enable students to get first hand feel of democracy and to know their rights and duties, this year school election was held to constitute the students’ council through the ballot voting system. Elected members got their badges pinned on Investiture ceremony, by honourable Chairman Mr. Sunil Kumar & Our Worthy Principal Mrs. Bhavna Mittal. Promoting the harmony across all communities, special assemblies are conducted on regular basis, where the entire festivals are fondly celebrated.

Conforming to the guidelines from Directorate of education and CBSE and to disseminate the message of better habitual environment free of pollution, cleanliness drive under the program of 'Swachh Bharat Abhiyan' was undertaken where the students cleaned the proximate areas of school premises. Keeping in view, the concern regarding our environment, our school has started a campaign "**Me for green Earth**". On this day the birthday boy/girl plants a sapling in the school campus to keep our earth clean and green. Students are taught beautifully that how to keep their surroundings neat and clean & in every class Cleanliness Monitors are assigned their duties to maintain the Cleanliness & Decorum of the classroom.

Education is a continuous process and can never be limited to the four walls of the classroom. In today's world, it is imperative that students are trained not just in academics; they also need to be prepared to live their lives to the fullest as successful Individuals, who adhere to the values and moral codes of society. In this session "**A Grand Exhibition cum Fete PRATIBHA**" was organised in a magnificent way and students showcased their talents creatively. A number of new concepts were introduced at the exhibition like as MIS Radio FM 99.9 and antique features like Robotics, Planetarium, cultural dance forms (Chang) was the point of attraction. This exhibition gave a platform to the students to present their new ideas and learn from each other and an opportunity to find out original thinkers.

In every session school commences best platform for the students to learn. '**Talent Hunt**' shows are organised at school at regular interval to boost their confidence. Fortunately we are empowered with the demographic dividend knocking on our door. We just need to let in the beautiful colours of knowledge and we are sure, incoming years we shall successfully challenge the halo of young minds to explore best of their abilities. With that let's fore see a world of universals angularity where our children are going to be propellant of this change and shall be beautiful place in world to live.

**“Everybody is a genius. But if you judge a fish by its ability to climb a tree, it will live its whole life believing that it is a stupid.”**
